

DONALD N. ECKER

Founder & Project Leader

March Health Care Development, LLC

Donald Ecker is the founder and project leader of March HealthCare Development, LLC a \$3.3 billion project to build a 236 acre Health and Wellness City that will eventually provide 7,200 full time jobs in addition to 12,700 construction jobs. Mr. Ecker is also the CEO of Strategic Solutions, LLC, a consulting firm specializing in financial transaction work. He has over 40 years of experience in working with business owners to analyze business options and transactions. In the last 4 years alone he has led or participated in \$3 billion in transactions. Prior to his current work, Mr. Ecker was a senior partner at Ernst and Young where he founded the firm's National Physician Practice. He also served as the Co-Director of the Center for Strategic Transactions where he worked with approximately 125 CEOs and their teams in structuring numerous transactions for enterprises ranging from start-ups to Fortune 500 companies. Throughout his career, Mr. Ecker has consulted with or audited 80% of all Inland Empire hospitals including Loma Linda University Medical Center and 90% of large medical centers. He has sat on numerous audit boards including that of Sybron Dental and he is qualified as a "financial expert" for SEC reporting. Mr. Ecker received his Bachelor of Science from California Polytechnic University, Pomona before receiving his Executive MBA from the Kellogg School of Management at Northwestern University.
