

**"Coming Soon!"**

*Earl the Squirrel*

## **RYAN HOSKIN**

**Vice President of Operations  
Acorn Technology Corporation**

Ryan has been with Acorn Technology Corporation since 2004 beginning his term here working on marketing development and website renovation. Ryan then transitioned into the technical aspect of Acorn's operations working as a TSR1 and a TSR2. As Ryan's continued with company he took on the position of Installation Coordinator overseeing all client installs before moving into the position of Technical Services Manager. After years of experience with Acorn and knowing our operations inside and out, Ryan took on the position of Vice President of Operations and continues to work under that title currently.

Ryan has worked in the IT industry since the inception of MITS. He began his career working as an independent web developer before interning ISCA technologies. His skills and experience span outside the technology sector and he has also interned in the City of Riverside's Finance Department.

Ryan earned his Bachelors of Science in Computer Science from the University of California Riverside. He continued his studies at UC Riverside earning a Masters in Business Administration. While working on his MBA Ryan received the Dean's Fellowship and the Phi Gamma Delta AAA Scholarship award. Ryan is also a Microsoft Certified Professional.
