

Help for the Holidays

Dear Valued Customer,

Acorn Technology Corporation appreciates both your business and the valuable role you play in our community. We know that as the holiday season grows near, your services are in high demand.

We would like to lend you our support during your holiday season initiatives. What way would be most beneficial to your organization? Do you need help collecting food, toys or clothing? Do you require extra assistance with distributing goods and services? Would store gift cards help to fill in some gaps for your organizational services? Or is there a special project with which we may help? Let us know!

Please complete the form below and get it back to us (mail, email, or fax) before December 10th, 2008, and we will do our best to fulfill your requests.

In addition, let us help you get the word out about your holiday season projects. Please email us a PDF of your flyers, letters, or posters, and we will post them on our website through mid-January, 2009.

Sincerely,

Your Friends at Acorn Technology Corporation
